In honor of Make Music Temecula's effort, June 21st is currently under approval to be declared "Make Music Day" across Riverside County by Supervisor Chuck Washington.

"It's amazing that our community, in literally less than a week, has pulled together for this event. Music is love and everyone needs music right now." Joanna Pearl, founder of Make Music Temecula continues, "I really hope that even more people go to the website www.MakeMusicDay.org/Temecula and click on 'participate' for June 21st... play music, dance, learn something new, laugh, smile, serenade someone, whatever you end up doing just turn it up loud and let it pour out of you!
